Dear Jonathan,
 I've written this recommendation of your work to share with other LinkedIn users.

Details of the Recommendation: "We hired Jonathan to organize our weddings in Singapore and in Thailand. There is no way that my wife and I could have planned a dual location wedding without Jonathan's help, he was very understanding, patient, and competent through the whole process. I would thoroughly recommend Jonathan to future couples who are looking for a trustworthy and reliable planner. Both our weddings went off without a hitch, and on the day we could relax with the knowledge that Jonathan had everything taken care of. Ten out of ten"

Service Category: Wedding Planner
 Year first hired: 2008
 Top Qualities: Great Results, Personable, High Integrity
